Three Boys Saved From Death In Spy Pond Tuesday Evening

Fire And Police Aid Rescuers Who Grabbed Boys Spilled By Kayak

Three boys were saved from death, Tuesday afternoon, when the Kayak in which they were riding, on Spy Pond, tipped over and spilled them into the water some 300 yards from shore.

The boys were rescued by Alfred Thyme 45, Arthur Mazmanian 15, and Richard Galvin 14, who put out in a boat from Dan Halloran's boat house.

James Daly, 14, 15Amsden St. Lawrence Pazo, 13 15 Beacon St. and Howell Young, 13 404 Massachusetts Avenue, all of Arlington, were riding in their home made

kayak when, about 300 yards off shore from Halloran's Boat House, the kayak capsized spilling the three boys into the pond. Young sank immediately to the bottom of the pond.

The three rescuers put out in a motor boat along with seven other boats from Halloran's. Mazmanian, Thyme and Galvin were the first on the scene and Mazmanian dove into the water to search for the youngster, who had gone to the bottom.

Officers Arthur Guarente and Henry Bradley in squad cars eight and nine arrived on the scene in a matter of seconds followed by Chief Tierney of the Fire Department with the special service truck and ladder one.

Officers John Ryan and Sergeant James Ryan arrived shortly after the fire apparatus with the police boat, but it was not needed.

Mazmanian with the help of Thyme and Galvin put Daley and Pazo into their boat and then went down after Young who had not come to the surface.

In a matter of a few seconds Mazmanian located Young, brought him to the surface and loaded him into the boat unconscious.

The boys were taken ashore and officers Guarente put them in his car and rushed them to the Symmes Arlington Hospital for treatment.

All of the boys were treated for immersion and hospital authorities reported Daley and Pazo were all right and would be discharged. Young was held overnight for observation.

New Mail Schedule Now In Effect Here

Robert A. McGinnis, Superintendent of the Arlington Post Office, announced this week mail deliveries are now on a one trip basis. Instead of the usual morning and afternoon delivery there will only be one delivery a day now.

In response to the number of inquiries from Arlington residents as to why their mail is being delivered so late, Mr. McGinnis gave the PRESS the following facts hoping to clarify the situation.

With the new type of delivery the men are required to carry more mail and over a larger area than before. The reason for this being the cut in the number of men from forty three to thirty four. This is a reduction of nine men.

The territories heretofore cov-

ered by the 43 men have been reapportioned and are now being done 34.

The postmen originally left the main post office for their first delivery at 8:00 a.m. Now they have to sort extra mail and cannot leave before 8:30 a.m. Under the two trip system the men would be back into the Post Office and out again on their routes by 11:30 a.m. but now the men work straight through until 2:30 p.m. eating their lunches on the road.

Residents of Arlington, who are now receiving their mail later than usual, are requested to be patient and not accuse the postman of loafing on the job. Mail will be later than usual in some sections due to this new economy system.

Prowlers Reported Operating By Police

Five prowlers were reported in operation over the past week-end by the Arlington Police Department.

Saturday night at 11:48 p.m. a resident of Brooks Avenue reported

to police his house had been broken into and ransacked. Shortly after his call a resident of 38 Harlow St. called and reported two men attempting to break into his house. Policemen responded to the two homes but the prowlers had been scared away by the occupants.

Sunday night more prowlers were reported at 98 Massachusetts Ave. and 16 Draper Ave. and again the criminals were scared away before police arrived.

Monday night the owner of 23 Crawford Street notified police she heard someone prowling around her back yard but again she yelled at the prowler scaring him away.

Police officials request the residents if they hear a prowler around the house to notify them immediately and not try to scare them away.

Matches Cause Of House Fire

Monday night, a seven year old boy, playing with matches was reported to have set fire to the curtains of a bedroom at 5 North Union Street, Arlington.

The alarm of fire was sounded at 6:52 p.m. from box 191 sending apparatus to the home of Francis A. Hines, 5 North Union Street.

The curtains of a second floor bedroom were ablaze but extinguished in short order by Chief Tierney and his men.

Cause of the fire was reportedly given by Mr. Hines who claimed his son was playing with matches and lit the curtains on fire. Damage was slight.

Gets Degree At Larson

At the Thirty-Ninth Commencement of Larson College President George V. Larson conferred the degree of Associate in Science upon 39 students and the degree of Associate in Arts upon 51. In addition to these degrees 10 Secretarial diplomas were awarded.

Among those who received the degree of Associate in Arts is Miss Marilyn Burke, daughter of Mr. and Mrs. Earle Burke of 80 Brantwood Road, Arlington, Mass. Miss Burke majored in Arts, was the Chairman Scenery Committee, Dramatic Club; Inter-Faith Club; Debating Club; "Lakeview"; Christmas Pageant; Coronation Ball Committee; Senior Prom Committee; Harvest Dance Committee; Madi-Gras Dance Committee and Snow Ball Committee. She played in PYGMALION in March.

Summer Program Plans Announced By Park Dept.

Daniel J. McFadden, superintendent of Parks announced this week the extensive program his department has planned for the youth of Arlington, this summer.

The principals of all of Arlington's schools have read this program to their pupils, but it is felt the parents should have a knowledge of what is planned so that they would see their children benefit from it.

Included in the schedule of events is the playground activities. Arlington is fortunate in that we have a supervised summer programs in our playgrounds. This has definitely been a big factor in the fight against juvenile delinquency, according to Chief Archie F. Bullock of the Arlington Police Department.

Following is the schedule of events which we hope you will clip and save for reference:

PLAYGROUND PROGRAM
Twelve playgrounds will be open

this year for supervised play activity. Listed below is each playground and the schools each playground serves:

Crosby Playground, near Bishop and Junior High East, only softball allowed in this area.

Cemetery Playground, near Bishop, Russell and St. Agnes schools, limited for children under 12 years of age.

Cutter Playground, near Cutter and Junior High West, only softball allowed in this area.

Florence Avenue Playground, near Brackett, Locke and Junior High West, no limitations on activity.

Hardy Playground, near Hardy and Junior High East, no baseball in this area.

Linwood Street Playground, near Crosby, Hardy and Junior High East, no limitations on activity.

North Union Street Playground, near Crosby, Russell and Junior High East, no limitations on activity.

LEGION TO HOLD ALL STAR SHOW

An all star stage show has been included in the jam packed program of the huge outdoor Festival to be held Thursday June 22, at the Warren A. Pierce Field, near

of Arlington High School, in aid of the local American Legion Post 39. A glance at the various acts to appear seems to indicate that comedy and skill will feature the show.

Pete Carr and Eve present a whirlwind acrobatic routine called "Nautical Nonsense" that is billed as a riot of fun as well as perfection of execution. The knockabout antics of "The Three Extremes" can only be classed as an hilarious bit of clowning by these three able performers.

"The Beautiful Texas Dollies" will please with music and songs. "The Herzog Girls in their aerial comedy should be the cause of a constant thunderous roar of laughter. They are superb. The only act not in the vein of comedy is the Gibbons. This is a knife throwing act that is sensational. Mr. Gibson proceeds to demonstrate an unbelievable accuracy in knife throwing, to snugly outline, with these blades, the body of his lovely wife on a rapidly spinning wheel. To add to the difficulty of performing this stunt he places a large paper covering over the wheel on which his wife is fastened, thus completely concealing her body. Only his incredible accuracy and makes the outstanding feat possible.

Other highlights of this affair are the awarding of 600 valuable prizes, a participating \$200.00 attendance award, a total band, and the award of a 1950 Ford Sedan. As the admission price is set at only 25 cents with tax included, it is expected that a capacity crowd will be on hand when the gala event gets under way at 8:00 p.m. sharp.

Memorial Service Held By Firemen

The Arlington Fire department held its annual memorial services for their departed comrades at a service at Mount Pleasant Cemetery, Sunday morning.

Fifty-two firemen led by a color guard of James Motherway, James Kelly, John Mahoney and John Stengel marched from Fire headquarters to the cemetery. Wreaths were laid on the graves of the fallen firemen. The service was held at 10 a.m.

Benjamin L. Moltman of 2 Stevens Terrace, Arlington, has been promoted to the position of circulation manager of the Boston Herald Traveler. He is a graduate of Harvard College.

Town Team Beats Winchester, 5-4

The Arlington Town team squeezed out a victory over Winchester Tuesday night with a big four run fifth inning taking the game 5-4 before darkness cancelled the game in Winchester.

Winchester started the scoring and led three to one up until the fourth inning when the four big bats on the Arlington nine went to work, tying up the game and then going ahead two runs scored by Kinry and Donovan.

Winchester made a gallant bid to tie up the game in the fifth but could only produce one marker making the score five to four.

The Summary follows.

WEDDINGS and ENGAGEMENTS

VALENTINO-CAPUTO

Miss Grace Caputo, daughter of
Mr. and Mrs. Peter Caputo of 32
Swanton street and Mr. Attilio
Peter Valentino and son of Mr. and
Mrs. Louis Valentino of Medford
were wed recently in a ceremony at
St. Mary's Church in which Father
John P. O'Riordan officiated. A re-
ception followed the ceremony at
the Music Hall on Bacon street.

Given in marriage by her father,
Miss Caputo wore a lace wedding
gown with a train and fingertip-
length veil of French illusion
caught to a crown or orange blos-
soms. Instead of a bouquet she
carried a white prayer-book with
an orchid and streamers of stephan
otis.

Mrs. Michael DiNicola of Cam-
bridge, formerly of Winchester,
was the bride's only attendant. She
wore a dress of pink taffeta with
a matching picture hat and carried
a cascade bouquet of spring flow-
ers.

Leo Giovanangelo of Somerville

was best man for Mr. Valentino,
and the ushers were Frank and
Mario Valentino of Medford, broth-
ers of the bridegroom; John Caputo
of Winchester, brother of the
bride; John Zamparelli and Sal-
vatore Cannava of Madford and
Ferdinand Valentino, also Medford
and cousin of the bridegroom.

After a honeymoon trip to At-
lantic City by motor, Mr. and Mrs.
Valentino will make their home
temporarily in Malden.

The bride, a graduate of Win-
chester High School, is the pre-
sent secretary at the Junior High
School. Mr. Valentino, a Navy vet-
eran of World War II, graduated
from Medford High School and
from Newman Preparatory School.

grees were; John S. Buntin James
B. Malone and Richard C. McSorley
of Arlington and Raymond W. Pe-
ppard of Winchester.

TRINITY BAPTIST
CHURCH SCHEDULE

Sunday, June 18 the service will
commence at 9:30 A. M. The early
hour serves a two fold purpose—to
worship while it is cool and to give
those planning to be away for the
day an opportunity to worship be-
fore leaving.

During the month of August the
Church will unite in the Union
Services.

Road of Harmony

This road leads to a picnic. It extends through a beautiful countryside, where the trees, meadows, and streams all contribute to the contentment and pleasure of this happy family.

But it leads further than the picnic site. It is the first few miles of a road that winds through the years of family harmony, love, and understanding. And it is over this road that children must travel if they are to grow into successful, happy adults.

For this is a picture of American youth in its proper setting—with loving parents, who have found enough time to enjoy their children and to devote their moments of leisure and recreation to them.

We need never worry about children such as these. They are taken to Church on Sundays, and are taught the principles of Christian living. They are cared for, loved, and respected.

Give your children the same opportunities to make the most of their lives. Start them on their way down the road to the fulfillment of a Christian life of service and security.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**Town Team Winner
 Over Lincoln 8-2**

The Arlington Town team defeated a Lincoln nine 8-2 in a nine
 inning slug match at the Reservoir
 field Sunday afternoon.

The Arlington nine led all the
 way scoring five runs in the third
 inning, two in the fourth and an-
 other in the eighth inning.

Reardon, pitcher for the Arling-
 ton club struck out ten men and
 allowed five bases on balls while
 no runs scored. Reardon pitched
 nine men and allowed five bases on
 balls. The combination of Reardon,
 Donovan and Donlan teamed up
 twice to pull off double plays:

George J. Gottwald Jr., son of Mr. and Mrs. George J. Gottwald of 1 Blossom Street was graduated with the degree of D. M. D., at the 94th annual Commencement of Tufts College, last Sunday afternoon. George attended Arlington School of Liberal Arts and gradu-

ated with the degree of B. S. He left college in February 1942 to enter the army and served nearly 4 years, most of the time in the Asiatic Pacific Theatre. Five stars adorned his Campaign Ribbon when he returned from overseas in 1945. He married an Army Nurse while in the service and has a daughter, Bonnie Jeanne four years old. He and his family left Monday for Washington where he plans to practice dentistry.

I Wonder

I WONDER if the Town shouldn't present a medal to the two men in white, Jim O'Leary and Jim Carmody, who did such an excellent job in painting the safety lines on our streets in such short order.

I WONDER when parents are going to realize that Spy Pond is a beautiful place for children to look at but keep out of, it manages to claim a life a year and nearly took three Tuesday evening.

I WONDER how many people know the water that is playing continuously on the Fire Department front lawn is, not drinking water, but from the reservoir.

I WONDER if the predicted shortage of permanent anti-freeze in the local gas stations could mean the Government might be buying it up????

I WONDER if the Town shouldn't put blue flashing lights or light gray paint on the Top of our new Police cars so that they might get through traffic. One nearly didn't make it to the near tragedy at the pond the other day.

I WONDER how many people know that the black car with the flashing blue light is the "on the spot" car of the Arlington Press.

I WONDER what the driver of a black sedan had in mind when he nearly capsize the Fire Department's ladder truck, last Tuesday, by dashing in front of it at some 50 miles per hour???

I WONDER if you'll be one of the winners at the American Legion event to be held at the Warren A. Pierce Stadium on Thursday, June 22. There's some really fine prizes to be awarded.

I WONDER if the man in your

family shaves with an electric razor. If he does, and he has trouble at times, tell him to drop in at the Alfred J. Thibeault Co. store at 175 Broadway between nine and five on Friday. An expert from the factory will be on hand to give a free shave to anyone who wants a demonstration.

I WONDER if you've noticed the increasing number of cars in our municipal parking lot, and the increasing number of parking spaces along Mass Ave. near the parking meters during most of the time.

I WONDER what time the postmans gets to your house now. That old title "The Postman Always Rings Twice," is as out-dated as Jack Benny's Maxwell.

I WONDER who's responsible for eating Howard Johnson's out of cinnamon doughnuts these days.

A talk on the new jet propulsion engines on which the nation's defenses are resting more and more heavily, will be presented by Mr. Nelson of the Lynn division of the General Electric Company at the Thursday noon meeting of the Arlington Kiwanis club. President Henry E. Keenan will conduct the meeting.

On Thursday June 22, Thomas "Tommy" Rawson of the Arlington Board of Public Works will talk on boxing.

On Tuesday of this week, John Bonner lead an inter-club delegation of the Allston - Brighton Club where a traveling gavel was presented.

Dr. Franklin P. Hawkes, Commissioner of Fair Educational Practices for the state of Massachusetts has returned to membership in the club.

**Home From
Vacation**

Mr. and Mrs. William P. Riley of 231 Gray Street just arrived home from a nine months vacation. They were visiting their son and daughter-in-law Mr. and Mrs. James F. Riley of Tucson, Arizona.

Mr. Riley a resident of this town for forty years and associated with the American Meter Company of Boston has retired after fifty two years service with this company. He is receiving the best of wishes from all his friends and business associates on a long and enjoyable life.

Msgr. Matthew J. Flaherty, pastor of St. Agnes Church, was honored at a reception in the Presidents office, Boston College, Monday. The reception was held for the members of the classes of 1890 to 1900.

**Speeding Costs Extra,
Adds To Driver's Risk**

Here's how you can out the high cost of living—and enjoy it, too! Just drive a little more slowly—around town and when you go on trips.

You will save gasoline, oil, wear and tear on your tires, and most important of all, some of the risk of an accident to your car, yourself, your passengers, and other folks who use the streets, according to Chief of Police Archie F. Bullock.

"The rite old saying that haste makes waste is especially true when we drive our cars," Chief Bullock says.

"Not only does speed—that is, increase the risk of an accident, it actually costs more in dollars and cents to drive at high speeds. You will use about one-third more gasoline cruising at a top speed of 60 miles an hour as compared to a top speed of 40. You will use about four times as much oil, and your tires will wear out two and one half times as fast. That is how fast haste can make waste. And what do you gain? An average of about bill, painful and expensive injuries—or your life."

"We would all be safer drivers," Chief Bullock continued, "if we would remember three things: the driver has to see and recognize the need to stop before he can start stopping. After he does that, there is a half second or more interval called "reaction time" before he is greatly increased risk of an accident that might cost a big repair bill."

—the car is moving toward that stop until the brakes finally stop the car. All this time the driver is not thinking of the need to stop. And this is the danger. The driver does not want to hit."

Safer speeds are the goal of the police department's program this continuing traffic safety program.

**C.D.A. Installs

In Navy

David G. Long, Seaman Recruit,
USNR, of 35 Hilton St., Arlington,
has reported for duty with Orga-
nized Submarine Division 1- of the
U. S. Naval Reserve, Boston.No Gas Until
Winter of 52Chairman Mon C. Wallgren and
three members of the U. S. Power
Commission told New England
Congressmen, Wednesday, it seems
unlikely that New England will get
any Natural Gas until the Winter
of 1952.The news was given to the cap-
itol representatives from the six-
state New England Area in a three
hour conference in Washington.A commission has been conduct-
ing in Washington and in Boston
since March 7, a consolidated hear-
ing on applications by numerous
natural gas companies to provide
new or additional service.Wagner said "the evidence now is
very indefinite as to when service
could start."He said Northeastern Gas Trans-
mission Company put two men into
the field on May 29 to start acquir-
ing rights-of-way and "that's the
first evidence we've had on an in-
tention to start."In a final answer to repeated
questions by the New Englanders
on when they might expect gas de-
liveries, Commissioner Harrington
Wimberly, who is supervising the
New England case, said:"Of course not in 1950 and not
much more chance for 1951. Some
say it is more likely in 1952."For Your

Bill For Towns
Minor RepairsOn Wednesday, May 31st in the
House of Representatives, State
House, Boston, a lively discussion
was participated in by the mem-
bership on House Bill No. 2583 which
was to allow cities and towns to
make temporary minor repairs on
private ways in certain cases. This
bill was filed in the House this
year by Representative Henry E.
Keenan, and after receiving a favor-
able report from the Committee on
Cities and Towns it was referred to
the Committee on Municipal Fin-
ances. Both committees rendered a
favorable report on same without
dissenting votes. However when the
matter was before the full body,
several motions were made to am-
mend the bill and finally a vote
was offered to refer the matter to
the next annual session. This
touched off a lively debate in which
many of the members participated.Representative Keenan, the author
of the bill, defended the same on
the grounds "that private ways in
many cities and towns had existed
for more than six years but could
not receive service from their cities
and towns in making temporary re-
pairs for the safety and conven-
ience of the people who reside on
the same. This is due to the fact
that the towns and cities could not
enter upon these ways and make
such repairs without being liable
for further maintenance and liabil-
ity. However under the proposed
bill they could make said repairs at
the request of the abutters and
paid for by said abutters."

On a roll call vote the measure

passed the House by 131 in favor
and 93 opposed. The bill is now be-
fore the Senate and if approved will
offer some relief, if accepted by the
Town Meeting Members, and the
City Council to those people in the
cities and towns who live on pri-
vate ways that have been establish-
ed for six years or more. Represen-
tative Keenan in his arguments
brought out the fact that many of
these residents are substantial tax-
payers and should be given some
relief by the cities and towns until
the streets are accepted and fin-
ished.The bill was reported as follows:
Chapter 40 of the General Laws
is hereby amended by inserting
after section 6D, inserted by chap-
ter 225 of the acts of 1943, the
following section:Section 6E. A city which accepts
this section by vote of its city
council subject to the provisions of
its charter, or a town which accepts
the same by vote of its inhabitants
at an annual town meeting, may
make temporary minor repairs on
private ways which have been
opened to public use for six years
or more, and in such cases section
twenty-five of chapter eighty-four
shall not apply. The cost of such
repairs shall be paid by the abut-
ters. Such repairs shall be made
only if petitioned for by the abut-
ters. No such repairs shall be com-
menced unless and until a cash de-
posit equal in amount to the esti-
mated cost of such repairs as de-
termined by the city or town de-
partment of contractor duly author-
ized by said city or town depart-
ment to do the work, is paid over
to said city or town.
